Title: Need to take steps for dredging of Haldia Port, Kolkata-laid.

SHRI SUVENDU ADHIKARI (TAMLUK): Haldia Port is the only river line port of our country. this port is situated within my constituency. This port is a subsidiary unit of Kolkata Port. Now this Port is facing serious crisis due to deterioration of draft. Also huge amount of silt is being deposited in the channler every day. the dredgers are not functioning properly. the Hon'ble Minister has already declared 100 days action plan. But it is a mjatter of regret to note that Haldia Port and the Kolkata Port are excluded from this Plan. I would like to request the Hon'ble Minister to kindly look into the matter and Haldia Port and the Kolkata Port should be included in this list.
