The country is proud of his world famous literary genius and mysticism. But in the book titled, 'The lives of Sri Aurobindo', written by Mr. Peter Hiss, a citizen of U.S.A, attempts have been made to blemish and defame Shri Aurobindo directly & indirectly. So, I request Hon'ble Prime-Minister to take suitable step to upheld the prestige of our motherland and protect the religious sentiment of crores of devotees by banning the book of Mr. Peter Hiss.
