Title: Need to establish a medical institute in Anantnag, Jammu & Kashmir on the lines of All India Institute of Medical Sciences, New Delhi.

DR. MIRZA MEHBOOB BEG (ANANTNAG): There is a need to establish a medical institute on the lines of All India Institute of Medical Sciences, New Delhi in Anantnag, South Kashmir. South Kashmir comprises of four districts i.e., Anantnag, Pulwama, Kulgam, Shopian and even patients from far-flung areas of district Ramban, Doda and Kisthwar come to Anantnag for medical treatment. South Kashmir has famous tourist destinations like Pahalgam, Kokernag, Verinag, Achabal, Daksum and Aharbal and lakhs of tourists visit these places. More importantly lakhs and lakhs of pilgrims visit famous Amarnath cave every year. Besides improving Health services in Anantnag it will have healthy political effects on the people living here.
