Title: Need to declare Agricultural College and Krishi Vigyan Kendra at Chipilima, district Sambalpur, Odisha as a Central Agricultural University.

SHRI AMARNATH PRADHAN (SAMBALPUR): Sambalpur my Parliamentary Constituency is situated in the Western Odisha region in the state of Odisha. It is the commercial hub and the industrial and educational Centre of the Western Odisha region. It is well connected to the neighbouring states by road, rail and air. The farmers of the Sambalpur district as well as the entire western Odisha region would be benefited if the existing Agricultural College and the Krishi Vigyan Kendra at Chipilima in the said district be declared as the Central Agricultural University by the Central Government.
