Title: Need to make Leprosy Hospital functional at Digsui Hoerah Gram Panchayat of Balagarh, Hooghly district, West Bengal and convert it to a General Hospital.

DR. RATNA DE (HOOGHLY): There was a leprosy Hospital named Talandu Leprosy (Kustha) Hospital at Digsui Hoerah Gram Panchayat of Balagarh district Hooghly of West Bengal assembly constituency (Reserved for SC candidate) under Central Government. But that Hospital is not functioning for a long time. I would like to request Hon'ble Minister for the Conversion of that Hospital into General Hospital for the benefit of the common people.
