Title: Need to take necessary measures to boost oil production in oil fields of Assam by ONGC.

SHRIMATI BIJOYA CHAKRAVARTY (GUWAHATI): Oil & Natural Gas Commission is working in Assam oil field since its inception. Recently Rs. 2400 crore has been granted to ONGC for Assam Renewal Project for improving the production of oil from different oil fields in Assam. The target of ONGC target was to produce 3 TMC crude oil under the Assam Renewal Project. Although major amount out of Rs. 2400 crore has been spent but production of crude oil remains the same. I request the Union Government to look into this matter and take steps to boost oil production in Assam.
