Title: Need to set up a Railway Coach Factory at Kharagpur in West Bengal.

SHRI PRABODH PANDA (MIDNAPORE): Kharagpur is recognized as a very important division under the South Eastern Railway. Kharagpur Railway Station itself is famous for having longest Platform in the country, remarkable infrastructural facilities, huge workshop etc. This Station is located in a very strategic area of eastern India. The station is surrounded by huge railway land which has remained vacant and unused over the decades. Hence, it is suggested that one Railway Coach Factory may be set up for the best use of Railway property that can cater to the Railways particularly to the eastern part of India.

I urge upon the Railway Ministry and Union Government to consider this proposal at the earliest.
