Title: Widening of Pattalam Road in Thrissur town, Kerala.

SHRI C.N. JAYADEVAN (THRISSUR): The shifting of Thrissur town post office and transfer of land between the Postal department and Thrissur Corporation for the purpose of widening of Pattalam Road in the heart of Thrissur town was initiated in the year 2014. After a series of meetings between the Corporation and Chief Post Master General, Kerala Circle and a meeting with the then Union Minister of Communications, an agreement was executed between Postal department and Thrissur Corporation on 19-10-2015. As per the agreement, the arrangements for temporary post office building were completed. A draft sale deed was given to the postal department on 30-01-2016 for approval. But it is learnt that the postal department in Kerala has not got the approval from Central government to transfer the land to the Corporation as yet, hence the delay in vacating the post office and transfer of the land to the Corporation. I, therefore, urge upon the Union Minister to take immediate steps to clear the proposal so that the Thrissur Corporation could take up the project for widening the famous Pattalam Road to ease the traffic bottleneck in the town at the earliest.
