Title: Need to provide basic facilities to the tourists coming to Ajmer from all over India and from abroad.

SHRIMATI APARUPA PODDAR (ARAMBAG): The lake city Ajmer is a tourist attraction and a popular pilgrimage centre of Dargah Sharif, Sufi Saint Khwaja Muinuddin Chisti. It is estimated that thousands of pilgrims visit the holy shrine from all over India and abroad everyday and in time of Urs. During Urs, Ajmer is beyond its capacity and the surrounding areas of Dargah are stinky and a face-lift is needed.

There was an announcement of ten iconic religious places including Ajmer Dargah Sharif to be under the standard operating procedure for observing international standards of cleanliness.

Sir, my demand is that basic facilities should be given to people coming from all over India and from abroad.
