Title: Upgradation of Doordarshan Kendra at Hisar in Haryana.

SHRI DUSHYANT CHAUTALA (HISAR): I would like to urge the Government to upgrade Doordarshan Kendra, Hisar in Haryana. The DD Hisar was inaugurated in the year 2002 with the aim of enhancing Doordarshan regional service in the state as well as highlighting the tradition and culture of the state. Keeping this in view, the Central Government took initiatives to make DD Hisar full-fledged regional station in 2015 but programmes are being telecast only for a particular time. Hence, I have submitted a proposal to the Government for upgradation of DD Hisar to make it functional for 24 hrs. In addition, the DD Kendra, Hisar has communicated its consent towards upgradation of DD Hisar as full time telecasting centre and requested funding support from the government. Therefore, I urge the government to take action with adequate allocation of funds for upgrading DD Hisar and make it functional for 24 hours with full fledged capacity.
