title: Regarding constructing a bailey bridge in Enathu.

SHRI KODIKUNNIL SURESH (MAVELIKKARA): Madam Speaker, we have one important bridge which is called enathu bridge in Kerala in between Kollam and Pathanamthitta districts. This is a major bridge across the kallada river. Recently, this bridge was severely damaged. Now, the entire traffic is diverted to other area which is a very long distance that now the common passengers are traveling. Therefore, the Government of Kerala has requested the Ministry of Defence to construct a bailey *palam*, that is, temporary bridge in that place. So, I would like to hon. Minister, through you, Madam, to construct a bailey bridge in enathu for temporarily using the common people.

HON. SPEAKER: Shri N.K. Premachandran is permitted to associate with the issue raised by Shri Kodikunnil Suresh.
