Title: Need to establish Jawahar Navodaya Vidyalayas in each district of Telangana.

-

SHRI KOTHA PRABHAKAR REDDY (MEDAK): I would like to draw the attention of the Hon'ble Minister for Human Resource Development regarding need to sanction additional/new Jawahar Navodaya Vidyalayas in Telangana State.

Navodaya schools had been established for the purpose of quality education and to promote national integration amongst the student community. These Centre funded schools are running successfully in every district of the country.

Government is aware that in Telangana, there are 9 Navodaya Schools. As the Telangana government recognised and increased the number of districts to 31, the Navodaya Schools got confined to 9 districts only. To balance the regional disparities, Navodaya Schools should be established in all the districts. In view of the increased districts, the number of schools should be increased in other districts also to provide quality education to the people. These centrally funded and administered schools can act as model schools and they can give guidance and quality education to other schools in each district.

I therefore urge upon Hon'ble Minister for Human Resource Development for establishment of Jawahar Navodaya Vidyalayas in each district of Telangana at the earliest.
