Title: Need to start Air India services from Bhopal to Hyderabad, Raipur, Bangalore and Kolkata.

SHRI ALOK SANJAR (BHOPAL): Hon. Speaker, Bhopal, the capital of Madhya Pradesh, is also an important industrial city. The city is very well connected with road and railways. However, the air connectivity between Bhopal and other important cities is not satisfactory. There are regular flights from Mumbai and Delhi. Earlier, the city also had air services to Hyderabad and Raipur. However, due to unknown reasons these services have been stopped. I request the Ministry of Civil Aviation to re-start Air India Services between Bhopal-Hyderabad and Bhopal-Raipur. I also request the Ministry to start Air India services between Bhopal-Bangalore and Bhopal-Kolkata.
