Title: Need to grant adequate fund for providing rail facilities in Tenkasi Parliamentary Constituency.

SHRIMATI M. VASANTHI (TENKASI): I wish to draw the attention of the August House towards the major demand of my Parliamentary Constituency Tenkasi, Tamil Nadu which includes introduction of new train services, construction of over-bridges, meter gauge conversion to broad gauge conversion, construction of a new Platform at Kadayanallur and augmentation of facilities at Rajapalayam Railway Station.

I, therefore, urge upon the Ministries concerned to take suitable steps in this regard.
