Title : Regarding law and order situation in Bodoland Territorial Area Districts (BTAD) in Assam.

*SHRI NABA KUMAR SARANIA (KOKRAJHAR) : Hon. Chairman Sir, on 11th of July seven persons were abducted by armed militants in Baska district of BTAD in Assam and four of them were killed later. Over the past twenty years such incidents of mindless killings of innocent people have been continuing unabated in entire BTAD area. I, therefore, urge upon the Central Government and the Union Home Ministry to intervene for immediate resolution of this issue. I also request the Central Government to provide all necessary assistance to the State Government to contain violence and also to send a Parliamentary group for fact finding to the trouble-torn areas. I hope that the Government will make all out effort to put an end to the violence that have been continuing for the past twenty years in Kokrajhar. I have been elected by the people of my constituency with a huge margin and I therefore request the Government of India through this august House to take appropriate steps to ensure safety and security of the people.
