title: Regarding construction of Railway over bridge and increasing of height of Rajapalayam Railway station, platform no. 2.

SHRIMATI M. VASANTHI (TENKASI): Thank you very much for giving me an opportunity to represent few of the Railway demands of my constituency in this august House.

Rajapalayam is a big industrial city with huge number of industries, schools, colleges etc. Chatrapati-Rajapalayam PACR Railway level crossing is often gets congested due to heavy traffic. Kindly allot necessary funds to construct ROB at Rajapalayam-Chatrapati Railway Gate No. 449KM 591/90059200.

Madam, Rajapalayam Railway platform height is very low. Kindly take steps to increase the platform height by 2 feet.

HON. SPEAKER: Do not read the whole page. You have to raise only one demand.

SHRIMATI M. VASANTHI : Senkottai-Punlaur broadguage work is carried out in Tortoise speed. Please take initiatives steps to complete the work expeditiously.
