Title: Need to shift the Railway Goods Yard from Jorhat town, Assam.

SHRI KAMAKHYA PRASAD TASA (JORHAT): In Jorhat Town there is a Railway loading and unloading Goods Yard situated at the middle of the Jorhat Town under Jorhat Municipal Board. This Goods Yard is situated in such a place where it totally disturbs the traffic systems as more than 500 trucks come there to collect the goods. This is a regular activity in this area. There is one Engineering College, several government offices, more than five schools and also there are more than ten thousand people living in the area.

So this Goods Yard must be shifted to other place from the Jorhat Town. I have written many letters in this regard to the Ministry of Railways but no action has been taken so far, instead the Ministry wants to make permanent Good Yards there only.

So, I request the Hon'ble Minister of Railways look into the matter and take necessary action to shift the Goods Yard immediately from Jorhat Town.
