Title: Regarding four laning of road from Madukkarai to Wayalar.

SHRI C. MAHENDRAN (POLLACHI): Hon. Deputy-Speaker, Sir, I would like to thank you for having given me this opportunity to raise this important issue today.

Our hon. Makkal Mudhalvar Puratchi Thalaivi Amma has already insisted on implementing the Six Lane and Four Lane Project Roads from Chengapalli-Walayar up to Tamil Nadu/Kerala Border to a length of 54.865 kms. at a cost of Rs.852 crore.

The project is divided into two packages. One is the Six Lane Project Road from Chengapalli-Neelambur in NH 47 section and the other is Four Lane Project Road from Madukkarai-Walayar in NH 47 section up to Tamil Nadu/Kerala Border.

The project was started to execute on 9.9.2010. Even though the contract period is 30 months, which lapsed on 7.3.2013, the project is still going on. After a lapse of 23 months' delay, till date 12.365 kms. of road work is pending. This may be due to many factors. Please see that the project roads are completed without making any further delay.

Hence, as desired by hon. Makkal Mudhalvar Puratchi Thalaivi Amma, I request the Central Government to take immediate action to complete the Project Roads before the end of September this year. Thank you.
