When this agitation is going on, how can the Private Members Business be taken up? We are not against it. Only one business alone cannot be taken up. We were not against the Private Members' Bill but we cannot take only one business. That is one thing. Everybody is in the well. As per your own instructions, you did not allow us to speak because we were in the well. How can you count all of us for the sake of Quorum? ...(*Interruptions*)
