Title: Need to send National Investigation Agency to enquire the huge explosion occurred at Braminbar village, Pingla Police Station, West Midnapore district in West Bengal.

SHRI ADHIR RANJAN CHOWDHURY (BAHARAMPUR): Madam, day before yesterday, a horrendous incident had taken place at Braminbar Village, Pingla Police Station, West Midnapore District in West Bengal. A huge explosion occurred there in which scores of people lost their lives. The impact of that explosion was so huge that bodies were blown to pieces and some body parts have been found hanging from the tree tops. The local administration, it is reported, has been whisking away other dead bodies in order to hush up the horrific episode in that place. The local administration is also trying hard to dilute the matter.

I would request the Government that they should send a team of the National Investigation Agency because this case bears resemblance to the Khagragarh incident, which had been linked with the fundamentalist forces across the country.

HON. SPEAKER: Shri Abhijit Mukherjee and Shri Md. Badaruddoza Khan are permitted to associate with the issue raised by Shri Adhir Ranjan Chowdhury.
