Title: Need to construct a flyover at Bandel Junction Railway Station.

DR. RATNA DE (NAG) (HOOGHLY): There has been a long pending demand from the people of my constituency for a flyover at Bandel Junction Railway Station from Bandel G.T. Road crossing up to Dabanandpur Kazidanga crossing. Many important trains connecting Howrah, Sealdah, Kolkata from Northern, North Eastern, North Western India pass through Bandel Junction station. I would like to state that during rainy season, roads leading to Bandel station gets submerged under water causing insurmountable problems for people to reach the Bandel Station. In addition to this, the underpass of Bandel station too gets inundated during rain. Further, it would be pertinent to point out here that three major markets like Annapura Bazar, Canteen Bazar and Koalbazar are on either side of the underpass, due to which passengers miss the train because of too much congestion on normal days and during rainy seasons. Under the circumstances, I would strongly urge the Railway Minister to look into this important and long pending demand for construction of a Flyover at Bandel Junction Railway Station from Bandel G.T. Road crossing upto Debanandpur Kazidanga crossing in the forthcoming Rail-Budget.
