Title: Need to name the newly constructed railway station between Jogeshwari and Goregon as 'Ram Mandir Railway Station'.

SHRI GAJANAN KIRTIKAR (MUMBAI NORTH WEST): Madam Speaker, thank you for giving me this opportunity to make my 'Zero Hour' submission on naming the newly constructed railway station between Jogeshwari and Goregon that falls under my constituency on the western line as Ram Mandir Road Railway Station. That is my submission to the Minister of Railways.

This area comes under the jurisdiction of my parliamentary constituency. The construction of the said railway station is almost complete. There is a possibility that the said railway station would be operational in one or two months. In this connection, I want to emphasize that the area where the said railway station has been constructed is prominently known as Ram Mandir Road area since a long time. Prior to the construction of this railway station, there was a railway gate and that gate was also known as Ram Mandir Phatak. The road is also known and famous in B.M.C. record as Ram Mandir Road. The bus stand located in the nearby area is also known as Ram Mandir Bus Stand. The electricity bills which the residents of that area get are also in the name of Ram Mandir Road.

Therefore, I urge upon the hon. Railway Minister to name the newly constructed railway station as 'Ram Mandir Railway Station', for which the people of that area would remain eternally grateful to the NDA Government.

HON. SPEAKER: S/Shri Arvind Sawant, Rajan Vichare, Rahul Shewale and Shirang Appa Barne are permitted to associate with the issue raised by Shri Gajanan Kirtikar.
