Title: Need to construct fence/boundary wall for Manonmaniam Sundaranar University.

SHRI K.R.P. PRABAKARAN (TIRUNELVELI): Manonmaniam Sundaranar University in my Tirunelveli Constituency is located on a campus of 550 acres at Abishekapatti on Tirunelveli- Tenkasi Road. It is recognized by the University Grants Commission. The University campus consists of a lot of green belts and it has many wildlife in it. Dotted Deer are probably the most widely distributed and best recognized large mammals in that area. The university campus does not have boundary wall/fence, which led to exit of wildlife to the nearby highway. Vehicles kill many Dotted Deer each year. To reduce the risk to wildlife, we need fencing/boundary wall for the university campus.

Hence, I urge upon the Union Human Resource Development Minister to allocate necessary fund to build fence/boundary wall for the Manonmaniam Sundaranar University campus.
