title: Issue regarding dipapidated condition of railway bridge in Belgaum.

SHRI SURESH C. ANGADI (BELAGAVI): Sir, thank you very much for allowing me to speak from here. This is a very important subject with regard to my constituency because there is a railway bridge in Belgaum which was constructed during the British regime. Today morning the people of Belgaum noticed some damage caused to the bridge which is around 150 years old.

Sir, I would like you to kindly direct the Railway Ministry and also the authorities concerned to go and inspect the bridge. It should not cause any damage to the people of Belgaum. It is the only one over-bridge in the area. The other bridges are under construction. The Railway office is in Dharwar which is in your Parliamentary constituency. So, I would like to request you also to kindly talk to the General Manger of the region to take up the matter seriously so that it does not cause any problem to the people of the region.

Thank you.

HON. CHAIRPERSON: The House stands adjourned to meet again at 11 a.m. tomorrow.

## 20.04 hours

The Lok Sabha then adjourned till Eleven of the Clock on Friday, May 6, 2016/Vaisakha 16, 1938 (Saka).
