Title: Need to construct a fly-over at Bandel Junction railway station.

DR. RATNA DE (NAG) (HOOGHLY): There has been a long pending demand from the people of my parliamentary constituency for construction of a fly-over at Bandel Junction railway station from Bandel G.T. Road crossing up to Debananadpur, Kazidange crossing, Hooghly district in West Bengal. Many important trains connecting Howrah, Sealdah, Kolkata from North Eastern and North Western India pass through Bandel Junction railway station. I would like to state here that during rainy season Bandel station road gets submerged under water with the result a lot of people face insurmountable problems if they want to reach Bandel station. Added to this, underpass of Bandel station gets inundated resulting in more troubles for common people using the Bandel Junction railway station. Under such circumstances, I would strongly urge the Railway Minister that the genuine and long pending demand of construction of flyover at Bandel junction railway station from Bandel G.T. Road crossing up to Debanandpur Kazidange crossing may be considered.
