Title: Need to expand Railway network in North Eastern regions in the country.

*SHRI RAMESWAR TELI (DIBRUGARH) : Hon. Madam Speaker, in the interest of Railway passengers of the North Eastern region, I would like to request the Hon. Railway Minister to take urgent steps for developing railway networks in the North Eastern Region. Constructions of double lines, electrification of lines, use of electric locomotives instead of diesel loco, specific railway zones exclusively for eight North Eastern States are some of the steps which need urgent attention. Apart from this, I would also like to urge upon the Railway Minister to introduce a new train from my constituency Dibrugarh to Mumbai and to extend the existing railway line from Ledo to Jairampur. Moreover, Dibrugarh and Tinisukia Railway Stations should be declared as Adarsh Railway Stations. In view of the long pending demand of the railway commuters, I would like to request the Hon. Minister to provide two minutes halt of the Dibrugarh-New Delhi Rajdhani Express train at Duliajan Station. Thank you.
