Title: Need to provide special package for development of Palghar district of Maharashtra.

SHRI CHINTAMAN NAVASHA WANGA (PALGHAR): Palghar is tribal and most backward district in Maharashtra. For development of tribal areas of Thane district, New Palghar district was established in the year 2014. The tribes of new Palghar district are suffering from malnutrition because they are jobless. Dadra & Nagar Haveli and Daman & Diu Union Territories are neighbouring territories of Palghar district. Dadra & Nagar Haveli is also dominated by tribals but due to industrialization, Dadra & Nagar Haveli is rapidly developing and tribals from Dadra & Nagar Haveli are employed in these industries. There is no malnutrition in Dadra & Nagar Haveli. Dadra & Nagar Haveli and Daman & Diu are industrially rapidly developing because Central Government has given Special Package for industrial development. I, therefore, request the Government to provide special package for the development of industry in tribal area of Palghar district of Maharashtra.
