Title: Regarding building over bridge at Avampalayam Railway Crossing.

SHRI P. NAGARAJAN (COIMBATORE): Thank you, Deputy-Speaker Sir.

Coimbatore is considered as the second biggest city and number one industrial city in Tamil Nadu. Coimbatore is also selected as one of the smart cities in the country. At present, a lot of trains are passing through the railway crossing at Avampalayam. The railway gate is to be closed for every train passing through this route for every half-an-hour which leads to very heavy traffic jam and traffic congestion. A lot of people, especially school and college-going children and office-goers are facing a lot of inconvenience during morning hours. Furthermore, hospitals are situated in this area.

HON. DEPUTY SPEAKER: Please conclude.

SHRI P. NAGARAJAN: Therefore, I urge upon the Union Government through this august House to take immediate steps to build a railway over bridge at Avampalayam railway crossing at the earliest.
