Title: Need to provide direct air connectivity between Delhi and Rajkot, Gujarat.

*SHRI MOHANBHAI KALYANJIBHAI KUNDARIYA (RAJKOT): Thank you, Madam. You have given me the opportunity to speak. I am grateful for that. I would like to bring to your kind notice that Rajkot is not only a city of Gujarat but is an industrial centre of Gujarat. Hon'ble Madam, you must be knowing that there are twelve districts in Saurashtra, mainly Jamnagar, Junagadh, Surendranagar, Amreli, Bhavnagar and other districts. In these districts there are two places of pilgrimage – Dwarka and Somnath. Hon'ble Madam nearly two crore people of Saurashtra have been demanding for many years, a direct flight from Rajkot to Delhi. I request you to pay special attention to meet this requirement. And with this, if a flight from Udaipur of Rajasthan is extended upto Rajkot, then also the problem can be solved. Madam, I request the Ministry of Civil aviation to introduce a direct flight from Rajkot to Delhi. The local people and the business community of Saurashtra are demanding a direct flight between Delhi and Rajkot. I request you to kindly draw the attention of the Ministry of Civil aviation towards this demand of the people of Saurashtra. Thank you.
