Title :Need to grant a film institute in Chandigarh to cater to the needs of the students.

SHRIMATI KIRRON KHER (CHANDIGARH): Madam, I rise to ask the Government to grant a Film Institute so that the people who are going to be trained and skilled in various parts of North India can have a Film Institute in Chandigarh.

Already, there is a Film Institute in Pune in Maharashtra. There is a Film Institute in Chennai, and there is a Film Institute in Kolkata. Recently, the Government has given one to Arunachal Pradesh....(*Interruptions*) It is only the people of entire North India--New Delhi, Chandigarh, Himachal Pradesh, Haryana, Punjab, Uttar Pradesh, Bihar and Madhya Pradesh-- do not have a place to go and get training. This is not just for acting. It is mainly for technical skills like editing videography, cinematography and direction. Our students do not get admission in Pune because there are limited seats over there....(*Interruptions*) It is the need of the hour. The Punjabi film industry is growing by leaps and bounds. Chandigarh is a city of educational institutions....(*Interruptions*) I would request the Government to kindly grant a film institute so that we could cater to the needs of the students. Thank you, Madam.
