Title: Need to introduce jumbo jet aircrafts on the Dibrugarh-New Delhi route to accommodate more number of passengers.

श्री रामेश्वर तेती (डिब्रुगढ़) : माननीय अध्यक्ष महोदया, मैं असम के डिब्रुगढ़ लोकसभा क्षेत्र से आता हूँ। ... (व्यवधान) मैं अपनी मातृभाषा असमिया में बोलना चाहता हूँ।

* Dibrugarh in Assam is one of the foremost cities in North-East India. It is famous for its oil industries and lush green Tea Estates. A number of prominent educational institutions like Assam Medical College, Dibrugarh University, etc. are also situated in Dibrugarh. Everyday hundreds of passengers from Dibrugarh and its neighbouring places like Itanagar, Kohima etc. travel to New Delhi for various purposes. But unfortunately no big aircraft plies on this route. At present only a few airlines including Air India operate its flight using small aircrafts which cannot accommodate more passengers. As a matter of fact, small aircrafts that ply between Dibrugarh-New Delhi and New Delhi-Dibrugarh route can't cater to the needs of ever increasing passengers.

I, therefore, request the Hon'ble Union Minister For Civil Aviation to kindly take necessary steps to introduce jumbo jet aircrafts on the Dibrugarh-New Delhi and New Delhi –Dibrugarh route so that more passengers may be accommodated on this route.

Thank you.
