Title: Need to take measures to address the problem of land subsidence in East Godavari district of Andhra Pradesh.

DR. RAVINDRA BABU (AMALAPURAM) : Land subsidence (soil erosion) is taking place at Eduralanka in East Godavari district of Andhra Pradesh leading to submerging of villages affecting habitations of thousands of people as also agriculture. It is also affecting oil and gas exploration activities taking place in the region.

I urge the Government to take adequate remedial measures in the matter.
