Title: Need to ensure payment of salaries to employees of Accountant General's Office in Karnataka.

SHRI K.C. KONDAIAH (BELLARY): The Government has amicably settled the issues relating to posting Kannada-knowing persons to Accountant General's Office in Karnataka as all Government Orders, Pension papers etc., are in Kannada. The employees were on strike for more than 40 days and as part of settlement, their salaries will have to be paid as they have started clearing the arrears of work. I, therefore, request the hon. Finance Minister to ensure that salaries are paid to these employees.
