

Title: Need to set up a Low Power Transmission Centre of Doordarshan in Kollam district in Kerala. -Laid

SHRI N.K. PREMCHANDRAN (QUILON): The T.V. programmes relayed from the Trivandrum Doordarshan Kendra have not got a clear access to the people residing in Kollam district. So, I request that a low-powered Transmission Centre may be set up anywhere in Kollam constituency in order to safeguard the interest of the T.V viewers in the Kollam district.
