48,778 loans have been sanctioned under the Stand Up India (SUPI) Scheme and over 10.09 crore loans have been sanctioned under Pradhan Mantri Mudra Yojana (PMMY) as on 22.12.2017 since the inception of the Scheme. Information relating to number of applicants under these schemes is not maintained centrally.

As on 22.12.2017, the number of bank branches that have provided loans under the Stand Up India scheme are 23820. As branch wise targets under PMMY Scheme are not centrally determined, information relating to number of bank branches that have provided loans under PMMY is not maintained by Government.

While the SUPI Scheme is exclusively for SC/ST and woman, over 56% of borrowers under PMMY are SC, ST and OBC. Details of the number of borrowers under the SUPI and PMMY Schemes as on 22.12.2017, state/UT and category-wise including SC/ST is as at Annexure- I and Annexure- II respectively. Loans are extended by Scheduled Commercial Banks (SCBs) under SUPI and by Banks, NBFCs and MFIs under PMMY. Government has so far sanctioned Rs.1000 crores and Rs.2500 crores for credit guarantee cover respectively for SUPI and PMMY. The Credit Guarantee Fund for loans extended under these Schemes operates on a national basis and is not allocated on state-wise or category-wise basis.

Various steps taken by the Government to make Stand Up India and Mudra scheme more effective, inter alia, include provision for online applications, handholding support, collateral free loans, simplified loan application form, provision of Mudra card for working capital, etc.
