

**GOVERNMENT OF INDIA
MINISTRY OF HEALTH AND FAMILY WELFARE
DEPARTMENT OF HEALTH AND FAMILY WELFARE**

**LOK SABHA
UNSTARRED QUESTION NO. 131
TO BE ANSWERED ON 15TH DECEMBER, 2017**

NEW CANCER CENTERS

**131. SHRI VINAYAK BHAURAO RAUT:
DR. BANSHILAL MAHATO:**

Will the Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) whether the Government have any proposal to set up request for new cancer centers across the country including Chhattisgarh if so, the details thereof, State-wise and location-wise;
- (b) the expenditure likely to be incurred therein along with the schedule for setting up of these cancer centers;
- (c) whether the Government have made any survey in connection with the cancer patients in the country and if so, the details thereof;
- (d) whether the Government has any proposal/plan to make check-up mandatory for all to regulate cancer in the country; and
- (e) if so, the details thereof along with the time by which the plan is likely to be implemented?

**ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SMT. ANUPRIYA PATEL)**

(a) & (b): Government of India is implementing Strengthening of Tertiary Care for Cancer scheme under National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases and Stroke (NPCDCS). Under the scheme, it is envisaged to support the establishment of State Cancer Institutes (SCIs) and Tertiary Care Cancer Centres (TCCCs) in different parts of the country. The maximum permissible assistance for SCI is Rs.120 crores and for TCCC is Rs.45 crores, which includes State share of 40%, except for North-Eastern and Himalayan States where the State share is 10%. The broad objective of the scheme is to develop capacity for tertiary care for cancer in all States so as to provide universal access for comprehensive cancer care.

Till date, 59 proposals for setting up of SCIs and TCCCs have been received from 28 States including Chhattisgarh. The details thereof, State-wise and location-wise is at **Annexure**.

(c): The National Cancer Registry Programme being implemented by National Centre for Disease Informatics and Research (NCDIR), Bengaluru, under the aegis of Indian Council of Medical Research (ICMR) provides the estimates about cancer patients in the country. The systematic collection of data on cancer is being carried out by various Cancer across India under the Indian Council of Medical Research's National Cancer Registry Programme since 1982. The data collected by Cancer Registries is published in form of consolidated reports periodically by National Centre for Disease Informatics and Research –National Cancer Registry Programme. The statistical summaries provided indicate the magnitude and patterns of cancers in the registry areas of the country.

(d) & (e): Presently, there is no proposal/plan to make check up mandatory for all to regulate cancer in the country. However, the objectives of NPCDCS being implemented under National Health Mission (NHM) for interventions upto district level include awareness generation for Cancer prevention, opportunistic screening, early detection and referral to an appropriate level institution for treatment. The focus is on three types of cancer namely breast, cervical and oral cancer.

A population level initiative of prevention, control and screening for common NCDs (diabetes, hypertension and cancer viz. oral, breast and cervical cancer) has been rolled out in over 100 districts of the country in 2017-18 under NHM, as a part of comprehensive primary healthcare. The screening activity will generate awareness on risk factors of common NCDs including cancer as such.

List of proposals received for setting up of SCI and TCCC under Strengthening of Tertiary Care Centre facilities scheme of National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases and Stroke (NPCDCS).

Sl. No.	States/UTs	Tertiary Care Cancer Centre (TCCC)	State Cancer Institute (SCI)
1	Andhra Pradesh	A.C. Subba Reddy Government Medical College, Nellore	Kurnool Medical College, Kurnool
2	Assam	Assam Medical College, Dibrugarh	Gauhati Medical College & Hospital, Guwahati.
3	Bihar	1. Jawaharlal Nehru Medical college, Bhagalpur 2. Dharbhanga Medical College, Dharbhanga	Indira Gandhi Institute of Medical Sciences (RCC), Patna
4	Chhattisgarh	Central Hospital, SECL, Manendragarh, District Koriya	Chhattisgarh Institute of Medical Sciences, Bilaspur
5	Delhi	Lok Nayak Hospital (Maulana Azad Medical College)	NIL
6	Gujarat	1. Pandit Deen Dayal Upadhyay Medical College, Rajkot 2. Government Medical College and SSG Hospital, Vadodara	Gujarat Cancer Research Institute (RCC), Ahmedabad
7	Goa	Goa Medical College, Panaji, Goa.	NIL
8	Haryana	1. Civil Hospital, Ambala Cantt	NIL
9	Himachal Pradesh	1. Indira Gandhi Medical College (RCC) Shimla 2. Lal Bahadur Shastri Govt. Medical College & Hospital, Mandi	NIL
10	Jammu & Kashmir	NIL	1. Government Medical College (RCC) Jammu 2. Sher-I-Kashmir Institute of Medical Sciences(RCC), Srinagar
