

GOVERNMENT OF INDIA
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS
LOK SABHA
UNSTARRED QUESTION NO. 3796
ANSWERED ON 9TH AUGUST, 2018

NEW RING ROADS AND BYPASSES

3796. SHRI CHANDRAKANT KHAIRE:

Will the Minister of ROAD TRANSPORT AND HIGHWAYS
सडक परिवहन और राजमार्ग मंत्री

be pleased to state:

- (a) whether total of 28 new ring roads and 45 bypasses are proposed to be developed under Bharatmala road project;
- (b) if so, the details thereof;
- (c) whether any scientific study regarding status of traffic on the above mentioned ring roads and bypasses has been done;
- (d) if so, the details thereof; and
- (e) the total estimated cost of the projects and the target date for completion thereof?

ANSWER

THE MINISTER OF STATE IN THE
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS

(SHRI MANSUKH L. MANDAVIYA)

- (a)& (b) A total of 28 nos. ring roads, 125 nos. choke points and 66 nos. congestion points have been identified in the entire country under the Bharatmala Pariyojana Phase-I. In addition to the ring roads, the interventions such as bypasses, lane expansion, flyovers, ROBs, service roads etc. have been envisaged to be developed for de-congesting the aforesaid choke/congestion points.
- (c) & (d) Detailed study of the freight movement between all districts have been conducted along with geo-informatic inputs. Thereafter, development of 44 nos. new economic corridors has been planned under Bharatmala Pariyojana Phase-I, to complement the existing National corridors. In addition to this, development of bypasses, ring roads, grade separators etc. has also been envisaged under Bharatmala Pariyojana Phase-I to de-congest choke/ congestion points on the existing corridors.
- (e) A total budget outlay of Rs 5,35,000 crore have been earmarked for Phase-I of Bharatmala Pariyojana programme to be implemented over a period of five years i.e. from 2017-18 to 2021-22.
