**Title: Regarding flood problem in Assam.**

SHRI RAMEN DEKA (MANGALDAI): The flood creates havoc in Assam year after year. Devastating flood claims human lives, Livestock and damages crops. Further, it causes erosion. But successive governments both at Centre and State has not drawn comprehensive plan to control flood and erosion which is a major cause of under-development of the state.

In view of this, I earnestly request the Government to take concrete steps to address the problem. Therefore, I request the Government to release sufficient fund to tackle the present situation of flood in Assam.
