Title: Need to complete construction of platform at Chandkhali halt station in West Bengal.

SHRIMATI PRATIMA MONDAL (JAYANAGAR): I would like to draw the kind attention of the Hon'ble Railway Minister towards the fact that under my Parliamentary Constituency, there is a halt station named Chandkhali on Sealdah-Canning line which has not yet started functioning due to non-completion of one side of the platform. In the year 2014, I personally requested to the then railway minister and submitted a letter to him to take necessary action to complete the said pending work. In this context, I also contacted the General Manager, Eastern Railway several times. However, despite all my efforts, I always received the same reply that "the work will be completed in the coming dry season as water logging is the main problem in the monsoon season."

I would like to request the Hon'ble Railway Minister to intervene in the matter and instruct officials to complete the said railway station platform without any further delay. It has been more than 5 years since people in my constituency have been waiting for something that can easily be accomplished in a few months.
