Title: Demand for a motorable subway under the Railway Station of Ranaghat in Ranaghat Parliamentary Constituency of West Bengal.

DR. TAPAS MANDAL (RANAGHAT): I want to draw the attention of the Railway Minister, through you Madam, to a long pending demand of the residents of Ranaghat which is my Constituency. The people demand motorable subway under the Railway Station of Ranaghat. But, surprisingly, the Railway Ministry has constructed the subway for pedestrian. That does not serve the purpose of the people of Ranaghat. It is because the railway line divides the Ranaghat into two hubs, Eastern part and the Western part, whereas all public amenities are located in the Western part. People, particularly, the critical patients cannot go to the hospitals speedily due to closure of railway gates.

That is why, the people of Ranaghat demand a motorable subway instead of the pedestrian subway. I would like to draw the attention of the Railway Minister to address this issue and construct a motorable subway for the people of Ranaghat.
