**Report**  
**Delay in laying of the Annual Reports and Audited Accounts of the**  
**National Institute of Technology Mizoram.**

The National Institute of Technology Mizoram was established in the year 2010 under the National Institute of Technology, Science Education & Research (NITSER) Act 2007 (Amended in 2012). It is a fully funded autonomous Institute set up under the Ministry of Human Resource and Development with the aim to provide instructions and research in such branches of engineering and technology, management, education, sciences and arts, as the Institute may think fit, for the advancement of learning and dissemination of knowledge in such branches. NIT Mizoram has been receiving grant-in-aid regularly from the Ministry of Human Resource Development. The statement showing the grants released to the Institutes for the years 2013-14 and 2014-15 is placed at **Annexure-I**.

2. In terms of the recommendation of the Committee on Papers Laid on the Table contained in its First Report, Second Report (5<sup>th</sup> Lok Sabha) and Second Report (6<sup>th</sup> Lok Sabha) presented to the House on 08 March 1976, 12 May 1976 and 22 December 1977 respectively, the Annual Report and Audited Accounts of the Organization/Company are required to laid on the Table of the House within nine months of the closure of Accounting Year. To comply with this requirement proper time schedule should be laid down for compilation of Annual Report and Annual Accounts and their auditing. The Committee felt that normally a period of 3 months would be sufficient for compilation of Annual Accounts and their submission for Audit; the next 6 months might be given for auditing of accounts; printing of the Report and sending it to Government for laying. If for any reason, the Annual Reports and Audited Accounts of the Institutes could not be laid within the prescribed period of 9 months, the Ministry concerned should lay a Statement within 30 days of the expiry of the aforesaid period or as soon as the House meets whichever is later, explaining the reasons as to why the documents could not be laid

3. As per Clause 22 (4) of National Institute of Technology, Science Education & Research (NITSER) Act, 2007 provides under:

*"The accounts of the every Institute as certified by the Comptroller and Auditor General (C&AG) or any other person appointed by him in this behalf together with the audited report thereon, shall be forwarded to the Central Government and the Government shall cause the same to be laid before the Houses of Parliament in accordance with such procedure as may be laid down by the Central Government."*

4. The Parliamentary Committee on Papers Laid on the Table found that in the case of NIT Mizoram the requisite documents were being laid on the Table of the House with inordinate delays. The dates of laying of the Annual Reports/Audited Accounts of the NIT Mizoram since 2013-14 has been given at **Annexure-II**.

5. The chronological sequence of different activities involved in finalization of Annual Reports and Audited Accounts of NIT Mizoram and auditing the same for the years 2013-2014 to 2014-2015 are given in **Annexure-III**.

6. On being asked about Act, Rule Provision and time of laying of Annual Report and Audited Accounts on the Table of the House, the Ministry in their written reply submitted as under:

“There is no such provision and time line for laying of these Papers on the Table of both the Houses of Parliament in NITSER Act, 2007. However, the Schedule for laying of Annual Reports and Audited Accounts in respect of NITs has been laid down by this Ministry.” **(Annexure-IV)**

7. Regarding the reasons for delay in laying of the Annual Reports and Audited Accounts of Institutes, the Ministry in its written reply submitted as under:-

*"During the year 2013-14 and 2014-15, the delay happened due to (a) time taken by the Office of Comptroller Auditor-General(CAG) of India for auditing the Annual Accounts of NIT-Mizoram, (b) time taken by the institute to send Annual Reports and Audited Accounts to the Ministry*

*Apart from the above getting translation of Annual Reports and Annual Accounts in Hindi and printing in Hindi script is a generally difficult for the NITs located in Non-Hindi speaking, North-Eastern area*

*It has been observed that time taken by the Office of CAG for auditing the accounts of North-Eastern NITs is large, apparently due to lack of infrastructure. NIT-Mizoram is a new NIT which started its function from the Home State since 2011. A new institute normally faces general and specific hurdles for commencing its normal operation. Hence, submission of Annual Report for the year 2013-14 suffered due to this. As regards with 2014-15, as has been explained that the delay mainly occurred due to time taken by the Office of CAG for auditing the Annual Accounts. Matter has been taken up with the Office of CAG by the concerned Director to commence audit in time for the year 2015-16.*

8. On being asked by the Committee whether the Ministry/Institute had identified the stages in which delays have occurred during all these years 2013-14 and 2014-15 and measures taken to curtail delays in future, the Ministry in its submitted stated that-

*"The delay happens due to (a) time taken by the Office of Comptroller Auditor-General(CAG) of India for auditing the Annual Accounts of NIT-Mizoram, (b) time taken by the institute in getting translation of Annual Reports and Annual Accounts in Hindi and printing in Hindi script (c) time taken by the institute to send Annual Reports and Audited Accounts to the Ministry.*

*This Ministry proposed to reduce delay in laying the Annual Reports and Audited Accounts by (a) active co-ordination with the Office of CAG by respective NIT and (b) continuous monitoring at the level of Director of concerned institute and the Ministry (c) identifying the agency for translation and printing of Annual Reports and Audited Accounts so that the same could be finalized in time."*

9. The committee has been informed that in order to facilitate speedy and timely compilation of Accounts of the Institute, preparation of account statements and timely compilation of accounts, computerisation has been done and a Chartered Accountant firm has been engaged for internal auditing purpose.

10. Regarding the auditing of accounts and receipt of final Audit Reports the Ministry in its written reply have submitted that:

*"The Institute has been requested to keep close liaison with the A.G. office through periodic contacts / visits and discussions across the table so as to remove all the reason of delay and ensure clearance of the reports by Office of the CAG in time. They have been advised to develop an effective system in this regard. The Ministry is maintaining a check-list (i.e. Status of Annual Report and Audited Accounts of all NITs) and reminders are being issued to the Institute from time to time and whenever necessary even telephonic reminders are sent to Director of the concerned NIT."*

11. With regard to the problems faced for translation of documents in Hindi Version in the Institute and subsequent printing thereof, the Ministry in their written replies stated as under:-

*" The Institute is located in Non-Hindi speaking, North Eastern area, hence, getting translation of documents in Hindi and printing in Hindi script pose problems. The Institute has to approach some nearby Institute or agency for this work. Now, for 2015-16, a firm has been identified in Kolkata who could do translation work as well as typing and printing of the Report. Hence, it is expected that the problem would be mitigated to considerable extent."*

12. The Ministry of Human Resource and Development also furnished the time schedule to be followed by the organisations under its administrative control for completion of work at each stage regarding finalization of Annual Reports and Audited Accounts.

13. The Committee considered the matter of delays in laying of Annual Reports and Audited Accounts of NIT-Mizoram and took oral evidence of the representatives of the Ministry of Human Resource and Development and NIT Mizoram in this matter on 15 June, 2016.

14. The Secretary, Ministry of Human Resource and Development during the evidence assured the committee that next year the reports would be laid on time.

15. Subsequently, the Committee however note that the Annual Reports and Audited Accounts of the NIT, Mizoram for the year 2015-16 and 2016-2017 were laid on the table of the House on 31.7.2017 and 30.7.2018 respectively, with delays of 07 months in both the years. The Annual Report and Audited Accounts for the year 2017-18 is not laid yet.

## Observations/Recommendations

16. The Committee note that the Annual Reports and Audit Accounts of the National Institute of Technology, Mizoram for the years 2013-2014 and 2014-2015 were laid on the table with delays of 14 and 19 months respectively.

17. The Committee was apprised during the course of examination that the Institute, being located in southern most part of North East, faces lot of infrastructural problems. It was also intimated to the Committee that the delay during the said year occurred mainly due to time taken by the Office of Comptroller Auditor-General (CAG) of India for auditing the Annual Accounts of NIT-Mizoram; time taken by the institute in getting translation of Annual Reports and Annual Accounts in Hindi and printing in Hindi script and time taken by the institute to send Annual Reports and Audited Accounts to the Ministry. The Committee was also apprised that the Institute has faced issues with regard to translation and printing of documents in the North Eastern area which delay the laying of documents.

18. While acknowledging the logistic and infrastructural problem faced by the Institute, the Committee impress upon the Ministry that, laying of Annual Report and Audited Accounts within the stipulated time frame is a statutory obligation in terms of Clause 22(4) of NITSER Act, 2007. By not adhering to this requirement, the Ministry is failing in its accountability towards the Parliament. The Committee is disappointed to note that despite the assurance given by the Secretary during oral evidence to lay the Reports in time, the Ministry did not ensure the same. The Annual Reports and Audited Accounts for the years 2015-16 and 2016-2017 were laid with delays of 07 months each. The Committee directs the Ministry to take appropriate measures to ensure timely laying of these documents in future and apprise the Committee of the same within a period of three months.

**If due to unavoidable reasons, the Annual Reports and Audited Accounts of the NIT-Mizoram could not be laid on the Table of the House within stipulated time, a statement explaining the reasons as to why the requisite documents could not be laid within prescribed period should be laid on the Table of the House strictly within 30 days as recommended by the Committee in its earlier reports.**
