THE MINISTER OF STATE IN THE MINISTRY OF PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS AND MINISTER OF STATE IN THE MINISTRY OF FINANCE (BANKING, REVENUE AND INSURANCE) (SHRI KADAMBUR M.R. JANARTHANAN) : (a) and (b) The primary objective of the Two-by-Four economic criteria Scheme is to cast an obligation on taxpayers to file returns of income and thereby widen the tax base in twelve cities and their urban agglomeration in the country. The scheme was operational for the first time in assessment year 1997-98 and during this period a growth of 20% in the number of returns filed was recorded as against the preceding assessment year. The revenue collection attributing to this Scheme cannot be segregated from out of total collection.

(c) and (d) The Finance (No.2) Bill 1998 proposes to further expand and extend the scope of the provisions introduced in 1997 relating to widening of tax net. Two more economic criteria namely, holding of credit card and membership of expensive clubs have been proposed to be added to the existing four criteria. Also, the obligation to file return will be on fulfilling any one of the six criteria. It will thus become One-by-Six Scheme instead of the existing Two-by-Four Scheme. The Scheme is also proposed to be extended to twenty-three new cities and their urban agglomeration.
