Subject: Request for dropping of Assurance given in reply to Unstarred Question No. 1051 dated 29.04.2016 regarding "Shortage of Doctors"

On 29 April, 2016, Smt. Darshana Vikram Jardosh, M.P., addressed an Unstarred Question No. 1051 to the Minister of Health & Family Welfare. The text of the Question along with the reply of the Minister is as given in the Annexure.

- 2. The reply to the Question was treated as an Assurance by the Committee and required to be implemented by the Ministry of Health & Family Welfare (Department of Health & Family Welfare) within three months from the date of the reply but the Assurance is yet to be implemented.
- 3. The Ministry of Health & Family Welfare (Department of Health & Family Welfare) vide OM No. H.11016/02/2016-CHS.V dated 4 May, 2018 have requested to drop the Assurance on the following grounds:-

"That the Department of Legal Affairs advised this Ministry to obtain the specific comments of D/o Personnel & Training (Nodal Department), which however, advised MoHFW to take a call first as to whether there is a need for creation of All India Medical & Health Service Cadre. As per the advice of DoP&T and in order to explore the desirability/feasibility of constituting of such service and to frame up the views of the MoHFW, the matter was referred to the Cadre Review Committee constituted in March, 2015 under the Chairmanship of Additional Secretary(Health). The Committee, inter-alia, observed that the 7th CPC did not support the creation of an Indian Medical Service considering that Health is a State Subject and the major requirement of Health Professional is at the State Level; the officers of Cental Health Service dealing with monitoring of various programmes/schemes relating to Health Sector have never worked in the States and, as such, do not have an appropriate perspective of the problems being faced by the State Governments. The Committee recommended that the views of all State Governments on the issue may once again be solicited. The proposal should be taken forward if majority of the States are willing to come on board. The above recommendation of the Cadre Review Committee was accepted by the Government and, thereafter, Union Health Secretary wrote to the Chief Secretaries of all States/UTs on 9.6.2017 soliciting views on creation of All India Medical Services so that the Ministry of Health & Family Welfare could firm up its proposal. The Ministry has so far received comments from only 05 States viz. Andhra Pradesh, Madhya Pradesh, Kerala, Sikkim and Goa and 02 Union Territories, viz. Dadra & Nagar Haveli and Andaman & Nicobar Islands. While the Government of Goa, Andaman & Nicobar Administration and UT of Dadra & Nagar Haveli have supported the proposal, the Kerala

and Sikkim Governments have not supported the proposal. The Government of Andhra Pradesh has requested to come up with a comprehensive proposal incorporating the best practices in other countries for addressing the manpower needs in the two sectors of health services and medical services. It may be seen that only few States/UTs have responded to the proposal and the Cadre Review Committee had recommended that the proposal would be moved further only if majority of States are willing to come on baord."

4. In view of the above, the Ministry, with the approval of the Minister of for Health & Family Welfare have requested to drop the Assurance.

The Committee may consider.

THE MINISTER OF HOUSING AND URBAN POVERTY ALLEVIATION
[SHRI M.VENKAIAH NAIDU]

(a) to (d): A Statement is laid on the Table of the Sabha.

STATEMENT

STATEMENT REFERRED TO IN REPLY TO LOK SABHA STARRED QUESTION NO. 162* FOR 09.03.2016 REGARDING "REHABILITATION OF SLUM DWELLERS"

- (a): Land being State subject, States/UTs concerned decide as per their own policies in the matter.
- (b): The PMAY (U) Mission Guidelines provides for the States / UTs to select the private developers for executing the slum redevelopment project through an open transparent bidding process and to decide the eligibility criteria for prospective developers. All financial and nonfinancial incentives and concessions, if any, are integrated in the project and declared 'a priori' in the bid document for the prospective developers for undertaking projects for in situ slum redevelopment of slums. States and cities may provide additional Floor Area Ratio (FAR)/ Floor Space Index (FSI) or Transfer of Development Rights (TDR) and relax density and other planning norms.
- (c): Amongst the six mandatory conditions prescribed under the PMAY-HFA (U) Mission, one of them makes it incumbent upon the States / UTs to put in a place a system to ensure single-window, time bound clearance for layout approval and building permissions at ULB level. Further, under the 'In-situ' slum redevelopment component of the Mission, the Guidelines provides that a single authority be constituted in the States/UTs with the responsibility to change planning and other norms and also for according approval to projects.
- (d): Land and colonisation being State subjects, it is therefore for the States/UTs to provide the land for housing projects for rehabilitation of slum dwellers

(Q.162)

श्री राजेश रंजन: महोदया, सबसे पहले मैं आदरणीय सुषमा स्वराज जी, जो देश की काफी उत्कृष्ट और काबिल महिला हैं, सभी लोगों ने जिन बिन्दुओं के लिए आपको धन्यवाद दिया है उसके लिए मैं आपको धन्यवाद नहीं दूंगा। मैं इसके लिए धन्यवाद दूंगा, ...(व्यवधान)

माननीय अध्यक्ष : आज रंजीता जी उनको बाइक दे देगी।

श्री राजेश रंजन: बहुत ही उत्कृष्ट इंगलिश जानने और समझने के बावजूद भी प्रश्न जिस तरीके से इंगलिश में किया जाता है लेकिन आप राष्ट्र की सबसे लोकप्रिय भाषा हिन्दी में जवाब देती हैं। उसके लिए आपका बहुत-बहुत धन्यवाद। लोग हिन्दी जानने के बावजूद भी इंगलिश में बोलते हैं, इसलिए मैं आपको धन्यवाद देना चाहता हूं। ... (व्यवधान)

माननीय अध्यक्ष : राजेश जी, आप प्रश्न पूछिये। अब आप हिन्दी में प्रश्न पूछिये, जिसका जवाब मंत्री जी अंग्रेजी में बहुत अच्छा देंगे।

...(व्यवधान)

श्री राजेश रंजन: अध्यक्ष महोदया, हाल में आये आर्थिक सर्वे की रिपोर्ट में कहा गया है कि देश भर में दो करोड़ घरों की कमी है। देश की कुल आबादी, यानी 120 करोड़ में से 37.7 करोड़ लोग शहरों में रहते हैं और हर साल एक करोड़ लोग गांव से शहरों में पलायन कर रहे हैं। अनुमान है कि वर्ष 2012 तक शहरों की आबादी 60 करोड़ हो जायेगी। इकोनॉमिक सर्वे की रिपोर्ट के अनुसार शहरों में आर्थिक रूप से गरीब एवं कम आय वाले लोगों के लिए 95 फीसदी मकानों की कमी है। वर्ष 2011 की जनगणना के अनुसार देश में 6.5 करोड़ लोग शहरों की मिलन बस्तियों में रहते हैं और यह संख्या लगातार बढ़ रही है। अगले साल, यानी वर्ष 2017 तक भारत में स्लम डेवलर्स की संख्या 10 करोड़ पार कर जायेगी, जबिक वर्ष 1981 में इनकी संख्या मात्र ढाई करोड़ थी।

अध्यक्ष महोदया, यहां विद्वान मंत्री बैठे हैं। वर्ष 2011 का सेन्सस रिकार्ड बताता है कि 1.3 करोड़ परिवार स्लम में रहते हैं। सेन्सस के आंकड़े बताते हैं कि दिनोंदिन स्लम्स में रहने वाले लोगों की संख्या बढ़ती जा रही है। अर्बन डेवलपमैंट विभाग का सकारात्मक रवैया नहीं है। दस लाख से कम आबादी वाले शहरों में 62 फीसदी आबादी स्लम में रहती है और दस लाख से ऊपर की आबादी वाले शहर, जिनमें दिल्ली और मुम्बई जैसे महानगर शामिल हैं, उनमें 38 फीसदी लोग स्लम्स में रहते हैं जैसे आरिफ नगर, अर्जुन सिंह पारा, बेगनबारी मुम्बई, चांदबारी चौधरी मोहल्ला, धारावी मुम्बई, गांधी नगर, गोडाऊपर, हरिजन मोहल्ला, इंदिरा एकता नगर, कठपुतली स्लम आदि। ... (व्यवधान)

माननीय अध्यक्ष : राजेश जी, आप कृपया प्रश्न पूछिये।

...(व्यवधान)

श्री राजेश रंजन: मैं माननीय विद्वान मंत्री महोदय से कहना चाहता हूं कि स्लम की स्थिति दिनोंदिन बिगड़ती जा रही है। सदन में लगातार 62 सालों से स्लम पर कोई न कोई प्रक्रिया जारी है। मैं मंत्री जी से पूछना चाहता हूं कि क्या कारण है कि आज तक इस तरह की प्रक्रिया को रोकने की कोई कारगर व्यवस्था नहीं की गयी?

श्री एम. वैंकैय्या नायडू : अध्यक्ष महोदया, कल के इंटरनैशनल वूमैन्स डे का प्रभाव हमारे राजेश रंजन पर अभी भी है। यह अच्छा है। उन्होंने सवाल से ज्यादा स्थिति का वर्णन किया है। मैं उसी के संदर्भ में कहना चाहता हूं कि सरकारी आंकडों के हिसाब से देश में स्लम पापुलेशन 6.55 करोड़ है और स्लम हाउस होल्ड 1.37 करोड़ हैं। हमारे अनुभव के हिसाब से इसमें प्रॉब्लम यही आ रही है। मैंने इसका गहराई से अध्ययन किया है, यह देश के सामने बहुत बड़ी चुनौती है और लज्जा की बात भी है, मगर क्या करें? पहला कारण यह है कि लोग गांव छोड़कर शहर में आ रहे हैं। शहर में उनको पर्याप्त जगह नहीं मिल रही, इसलिए स्लम्स की संख्या बढ़ रही है। अब स्लम्स को डेवलप करने के लिए एक मात्र उपाय यह है कि स्लम में वर्टिकल बिल्डिंग्स बनाना है, क्योंकि वे लोग उसे छोड़कर दूसरी जगह यानी शहर के बाहर जाकर बसने के लिए तैयार नहीं हैं। इसलिए उसे वहीं बनाना पड़ेगा। जमीन स्टेट का सब्जैक्ट है। जब तक स्टेट्स जमीन दिखाकर प्रपोजल नहीं भेजेंगे कि उसे ऐसा डेवलप करना चाहिए तब तक हम कुछ नहीं कर पायेंगे। मगर हमने एक ओपन ऑफर दिया कि जो भी स्टेट स्लम डेवलपमैंट के लिए, इंस्टीट्यूट डेवलपमैंट के लिए प्रपोजल भेजेगा, उसमें से हर एक मकान के लिए सैंट्रल गवर्नमैंट द्वारा एक लाख रुपये की सब्सिडी दी जायेगी और वह सब्सिडी भी शुरुआत में देंगे। नार्मली यह होता है कि कभी लोन नहीं दिया तो बाद में किश्तों में देते हैं। ऐसा नहीं है, हम उसे शुरू में देंगे। यह प्रस्ताव हमने स्टेट्स को भेजा है। जो-जो स्टेट सामने आ रही है, वह आगे बढ़ रही हैं और हम उन्हें मदद कर रहे हैं। जिन स्टेट्स ने प्रपोजल नहीं भेजा है, वहां जमीन को अधिग्रहण करके मकान बनाना संभव नहीं है। यह प्रैक्टिकल प्रॉब्लम है।

श्री राजेश रंजन: अध्यक्ष महोदया, विगत पांच वर्षों में चालू वर्ष के दौरान मिलन बस्तियों को निवासियों के पुनर्वास और विकास के लिए सरकार द्वारा आवंटित और खर्च की गयी राशि का संघ राज्यवार ब्यौरा क्या है? बिना योजना के शहरीकरण के कारण झुग्गियों की संख्या लगातार बढ़ रही है, तब इस काम को करने के लिए क्या स्थानीय निकायों को आर्थिक तौर पर सशक्त किया जायेगा, जैसे आपने राज्य की मिलन बस्तियों के निवासियों के पुनर्वास की बात कही है। जब स्लम बस्ती में जाते हैं तब इस बात का पता

चलता है। आपने कहा है कि प्रधानमंत्री आवास योजना, अमृत, स्वच्छता आदि के द्वारा मिलन बस्तियों के लिए काम कर रहे हैं। क्या केंद्र सरकार द्वारा निगरानी की कोई योजना है? क्या इस तरह का कोई सिस्टम है तािक केंद्र से भेजी जा रही प्रायोजित धनरािश में सांसद की निगरानी की भूमिका सुनिश्चित की जा सके? खास तौर से बिहार, जहां से मैं आता हूं, आपने प्रधानमंत्री आवास योजना में मिलन बस्तियों की स्वच्छता के लिए लगातार जो पैसा भेजा है, उसका बंदरबाट हो रहा है, लूट हो रही है और इस कारण सही तरीिक से कोई योजना काम नहीं कर रही है। यदि राज्य नहीं देता है तो क्या केंद्र सरकार इस तरह की कोई योजना बनाएगी जिससे स्लम बस्ती में रहने वाले गरीबों के लिए राहत के उपाय हो सके?

SHRI M. VENKAIAH NAIDU: Hon. Speaker Madam, we are in a federal system.

SHRI M. VENKAIAH NAIDU: Hon. Speaker Madam, we are in a federal system. We can formulate a plan or programme and then we can also sanction money for the programme. But the implementation at the end of the day has to be taken up by the State Government or the urban local body. I totally agree with Shri Rajesh Ranjan on his suggestion of having some sort of monitoring system. Madam Speaker, you remember that earlier also a lot of Members expressed their grievances and made complaints. That is why, as Minister of Parliamentary Affairs, I am also holding discussion with all my colleagues and I will shortly be coming with some sort of arrangement where all the Centrally sponsored schemes to the extent possible will be monitored by a Committee presided over by the seniormost Member of Parliament.

With regard to Saharsa or with regard to specific instances which the hon. Member has mentioned to me, if he writes to me, then I can ask for the explanation from the State Government. Taking *suo motu* action is not in the interest of the federal structure of the Constitution. If the hon. Member makes a specific complaint to me, then I will definitely order an inquiry and find out from the State Government what has happened and what is happening. That much I can do.

Thirdly, as for the proper growth of the cities, at the end of the day the city plan has to be approved by the city-elected council. The State Government, which is there in the field, has to coordinate the efforts and guide the State. From time to

time, we have been issuing guidelines from the Centre. We have also come out with a new policy of incentives and disincentives. If they don't follow the advice or reforms, then there is a disincentive. If they follow them, there is incentive. That is the only way. Otherwise, if we stop releasing money because somebody has not followed the guidelines, ultimately the sufferers will be the people of that region. That has to be kept in mind.

SHRI GAURAV GOGOI: Hon. Speaker Madam, the housing scheme was launched in June 2015 and has a target of two crore houses for the urban poor by 2022. If you want to achieve the target of two crore houses, you will, on an average, need to build 33 lakh houses each year for the next six years. Now these slums of course would need land. The KPMG Report said that the land required runs into thousands and lakhs of hectares. In some States, this land which is needed for slum rehabilitation or development is quite unsafe, prone to disaster, prone to earthquakes and prone to landslides. So, my question is whether the Ministry has undertaken any survey as to the quality of land which is available for the slum projects. Secondly, has the Ministry given out any data that if 33 lakh houses each year are required to achieve the target of two crore houses, what is the per centage of target that we have achieved? How many houses have been sanctioned so far?

SHRI M. VENKAIAH NAIDU: Madam Speaker, 'Housing for All' is an initiative of the hon. Prime Minister. It was launched last year.

As rightly said by the hon, member, after that we held consultations with the States and sensitised them about the broad contours of the Scheme and asked the States to send proposals because land has to be identified by the States and the beneficiaries have to be identified by the States. So far, 28 States have signed a Memorandum of Agreement with the Central Government including the Assam State to which the hon. Member belongs. So far, whatever proposals are coming from the States, without changing them, we are only seeing whether the guidelines have been followed or not. There is a Committee headed by my Secretary, Urban

27

Development including the Chief Secretary of the particular State. They sit together, scrutinise the proposals and then sanction them. So far, whichever States have sent proposals, all of them have been sanctioned.

As asked specifically by the hon. Member, 5,08,902 houses have been sanctioned so far. At this rate, it will not be able to reach the target as rightly pointed out by the hon. Member because the challenge is huge. That being the case, I would like to share this with the House. I am thankful to the hon. Finance Minister. He has announced a lot of incentives for the housing sector. Making available that much money is not possible through my Department alone. So, with those incentives, now there is a sort of enthusiasm among the States also to come forward with proposals. I am in regular touch with the States. Whatever proposals the State sends, if they are within the guidelines they are being sanctioned. श्री राजेन्द्र अग्रवाल: माननीय अध्यक्ष जी, वर्ष 2011 की जनगणना के अनुसार देश में 10 लाख से ज्यादा जनसंख्या वाले 46 मेट्रोपोलिटन शहरों में कुल 52.4 लाख हाउसहोल्ड स्लम में रहते हैं जो देश कुल हाउसहोल्ड का 31.1 प्रतिशत है। वर्तमान सूची में शीर्ष 10 शहरों में मेरठ पांचवें स्थान पर और चौथे स्थान पर विजयवाड़ा है। संयोग ऐसा है कि इन 10 शहरों में से आठ स्मार्ट सिटी घोषित किए जा चुके हैं, लेकिन उत्तर प्रदेश सरकार ने पूर्वाग्रह या किसी अन्य कारण से मेरठ को इस हक से वंचित कर रखा है। यहां स्लम की संख्या ज्यादा है। मेरा माननीय मंत्री से प्रश्न है कि क्या विजयवाड़ा और मेरठ के लिए कुछ विशेष योजना देने की कोई बात है? क्या मेरठ को स्मार्ट सिटी में शामिल करने की कोई योजना है? SHRI M. VENKAIAH NAIDU: Madam, smart city is altogether a different question but for all the cities like Meerut or Vijayawada wherever the population is one lakh and above there is AMRUT Yojana, Atal Mission for Rejuvenation and Urban Transformation. Already guidelines have been issued; States have forwarded the proposals for drinking water, sanitation, and solid waste management. All these three schemes will be applicable to Meerut City also.

With regard to smart city selection, there is some tie-up between Meerut and Raibareilly. That is under consideration. I have asked the State Government to re-consider and send one city. Finally, same is the case with Jammu and Kashmir

also. They are being examined because they are explaining a typical situation in Jammu and Kashmir. I will deal with that separately, not now.

With regard to the basic amenities for those cities, they can be covered either in smart city or in AMRUT or in other Central Schemes like Housing For All, which is for 4,041 towns. These schemes can be made available to the State Governments depending on the eligibility.

As far as housing is concerned, one lakh subsidy *in situ*; 1,50,000 and also 2,30,000; six and a half per cent interest subvention is given for the first time in India by the Government of India led by Shri Narendra Modi. That is a big boon to the people who want houses. I hope, in the coming days, the demand will catch up and the Government will be able to fulfil the aspirations.

PROF. SAUGATA ROY: Madam, in 2009, the then President of India declared a Programme in which he said that India will be slum-free in five years. Subsequently, the then Government initiated a Scheme called Rajiv Awas Yojana. The different States and the Urban Local Bodies were written to, to provide statistics and plans for implementing a slum-free India. When the present Government came to power, obviously the Rajiv Awas Yojana was given up. The Government has declared two Schemes, one is the Prime Minister's Awas Yojana and the other is the Housing For All.

What I would like to ask the hon. Minister is whether the goal of having a slum-free India has been given up altogether, whether the Government is having some alternative goal in this matter in the interest of having an India where human beings enjoy a better standard of living in the metropolises of the country.

SHRI M. VENKAIAH NAIDU: Madam, the fact is that in 2009 in it was said but subsequently during the earlier period also we could not achieve the target.

Out of the JNNURM and RAY, in ten years, a total of ten lakh houses have been constructed during that period. Now, our Government's aim is to provide Housing For All by 2022. Under RAY, the progress was not satisfactory. There were also certain practical difficulties experienced by the States and they have

09.03.2016

been in touch with the Government of India. Keeping all these things in mind, the Government has not given up the Slum-free India Scheme. The Government has tried to improve it further and has come up with the three housing projects as I told you, Housing For All and Affordable Housing. This RAY also is submerged into the new Scheme.

Those Schemes which are progressing and which are under construction have been allowed to be completed up to 2017. We have not given up any of the old schemes. If they have started and there is progress, they are continued; if they have not started, those proposals have been asked to be sent in the present form of Housing For All or Affordable Housing.

SHRI K. PARASURAMAN: Hon. Speaker Madam, the number of slums to be developed is increasing due to rapid urbanization and rural-urban migration which is in turn leading to unhealthy conditions in slum areas. So, I would like to know whether the Government would come forward to include all slum areas in Housing For All Indians and whether the Government has also fixed any target for rehabilitation of slum areas under the Housing For All Scheme.

SHRI M. VENKAIAH NAIDU: Madam Speaker, under Housing For All priority is for *in situ* development of the slums. ... (*Interruptions*)

कुछ माननीय सदस्य : अम्मा नहीं बोला।...(व्यवधान)

श्री एम. वैंकेय्या नायडू: अम्मा बोलना कोई गलत नहीं है। अम्मा अम्मा है। सबके लिए अम्मा है। आपकी भी अम्मा है। हमारी भी अम्मा है।...(व्यवधान) अम्मा है तो अम्मा है। ...(व्यवधान)

Some people call, 'Mummy' but we call, 'Amma'. Mummy comes from here; amma comes from here. ... (Interruptions) I am talking of my amma; you are talking of your amma. ... (Interruptions)

Madam Speaker, the purport of the main question is highlighting the fact that urbanisation is moving at a faster pace and people are leaving rural areas and coming to urban areas in search of livelihood because employment, entertainment, 09.03.2016

education, and economic upliftment are all mostly situated in cities. That is why people are coming.

It is a continuous effort of successive governments to see that proper facilities are provided in the rural areas to the extent possible so that migration can be reduced but experience shows migration is increasing because as I said there is a clamour for urbanisation and also facilities are all concentrated there. Keeping that in mind, we are giving priority for housing sector in the urban areas.

As I told earlier, we have come out with a new scheme of 6.5 per cent interest subvention; secondly, one lakh for *in situ* development; and also if individual people come forward without government support, they are also going to be given subsidy. Even if the private developers develop a particular project where 35 per cent of the houses are going to be earmarked for poorer people, we will give them also the required subsidy if the State Government joins with them. This is the programme we have.

Subject:

Request for dropping of Assurance given in reply to Unstarred Question No. 3149 dated 20.03.2008 regarding "Development of Angamaly Railway Station"

On 20 March, 2008, Shri P.C. Thomas, M.P., addressed an Unstarred Question No. 3149 to the Minister of Railways. The text of the Question alongwith the reply of the Minister is as given in the Annexure.

- 2. The reply to the Question was treated as an Assurance by the Committee and required to be implemented by the Ministry of Railways within three months from the date of the reply but the Assurance is yet to be implemented.
- 3. The Ministry of Railways <u>vide</u> O.M. No. 2009/W1//PQL/SR/3149 dated 02 July, 2009 had requested to drop the Assurance on the following grounds:-

"In view of land acquisition problems in Angamali-Sabarimala new line project, diverse representations of local people in finalizing alignment of this new line and acute constraint of resources, work on this project is very slow and it is not possible to complete work on this project in near future. As such, it is not possible to fulfill the present Assurance in near future"

- 4. The above request for dropping the Assurance was placed before the Committee at their sitting held on 06 August 2010 and the Committee decided not to accede to the request of the Ministry. The Committee accordingly presented their 10th Report (15th Lok Sabha) on 27 August, 2010 asking the Ministry that land acquisition problems in Angamali-Sabarimala new line project, diverse representations of local people, acute constraint of resources etc., be resolved at the earliest and Assurance implemented.
- 5. However, the Ministry of Railways *vide* OM No. 2009/W1//PQL/SR/3149 dated 14 March 2019 have stated as under:-

"Work on Angamali-Kaladi section only is nearing completion and work beyond Kaladi is not feasible to be completed in near future as this project involves land acquisition problems, protest by local people against revision of alignment in Kottayam District recommended by the Government of Kerala, limited availability of funds for ongoing new line projects etc. Delay in finalization of alignment due to protest by local people and abnormal increase in land cost has increased the project cost from Rs 550 crore to Rs 2815 crore. Accordingly, Government of Kerala has been requested to continue to share 50% cost of the project which however, is not agreed to so far. As such, it is not

possible to fulfill the present Assurance in near future and it is also not considered desirable to continue the present Assurance indefinitely."

6. In view of the above, the Ministry with the approval of Minister of State in the Ministry of Railways, have requested the Committee to drop the Assurance.

The Committee may re-consider.
