(b) The news item mainly questions the selection criteria, large participation of officials of various Federations in the Asian Games and lack of timely supply of sports kit. As far as selection of teams and sportspersons in individual event is concerned, it is done as a joint exercise by the Government, Indian Olympic Association, National Sports Federations concerned and the Sports Authority of India. Normally

Teams and individual sportspersons considered capable of winning a medal on the basis of predecided norms are cleared. Such teams as have little prospect of winning medals are not cleared. On this basis, the contingent for the Asian Games was cleared. Teams like Football, Volleyball were not cleared for participation. Thus the total Indian Contingent cleared comprised of 311 persons (At Government cost - 202 sportspersons, 45 Coaches, 1 Manager, 15 Supporting Personnel, 6 IOA Personnel and 18 Technical Officials of IOA & 4 others; At No Cost to Government - 15 Managers & 5 others). The official delegation to this game was only of six persons. However, the large number of officials of various National and State Federations referred to in the article are neither approaching the Government, nor the Government is according any permission for their participation. In their case all expenditure is borne by the officials or their Federations.

(c) National Sports Federations have been asked to prepare a four year Long Term Development Plan (LTDP) for each discipline incorporating details of requirement for promotion of the particular sports. Implementation of the LTDP is being monitored at two levels. There is a National Monitoring Committee under the Chairmanship of Minister of State. In addition there are Discipline-wise Monitoring Committee meetings attended by Indian Olympic Association, concerned Federations, Director General, Sports Authority of India and officials of Department of Youth Affairs and Sports.

The National level Federations also hold national level tournaments for Sub-juniors, Juniors and Seniors. The Sports Authority of India holds regular coaching camps for selected teams and athletes. The Federations are also given grants for equipment, foreign exposures and holding National and International tournaments.
