## (vi) Need to Place Adequate Orders To Jamalpur Rali Workshop To Make it Viable.

SHRI BRAHMANAND MANDAL (Monghyr): The condition of Jamalpur railway workshop has been worsening day by day. The P.H.O. of 6 diesel engines only is being carried out. The work load is not adequate. Temporarily 50 box wagons are repaired and 30 containers are being manufactured in a month. Inspite of the Central Government's repeated assurances that keeping in view the importance of the Jamalpur Factory, the work load of the factory will be increased and it will be modernised. Provision for it was made in the budget but neither the estimates have been approved nor the work has been undertaken.

Therefore, I urge upon the Central Government to approve the estimates for modernisation of this factory and arrangements should be made for repairing box wagons and manufacturing containers regularly. The P.H.O. of diesel engines should be increased atleast to ten. P.H.O. work of electric engines should also be started there soon.

Mr. Chairman, Sir, I would like to express my views on three points mentioned in the Cut Motion moved by me. On page 20, Demand No. 58 is a demand for Rs. 225 crore for issuance of Identity Cards, out of which 50 per cent expenditure will be borne by Central Government and the rest 50 per cent by State Governments. In the moming, it was being discussed that Election Commission has announced the dates of elections in five states. As per the announcement made by the Election Commission, the work of issuing identity cards should be completed by 15th of January.
