

**GOVERNMENT OF INDIA
MINISTRY OF STATISTICS AND PROGRAMME IMPLEMENTATION**

**LOK SABHA
UNSTARRED QUESTION NO.2327
TO BE ANSWERED ON WEDNESDAY, THE 26TH DECEMBER, 2018**

SURVEY BY NSSO

2327. SHRI RAMESH BIDHURI:

Will the Minister of STATISTICS AND PROGRAMME IMPLEMENTATION be pleased to state:

- (a) the estimated number of houses and slums in urban areas according to the recent survey of the National Sample Survey Organisation (NSSO);**
- (b) the number and details of slums where the basic amenities like road, electricity, potable water, etc. has been provided during the last five years according to NSSO;**
- (c) whether any steps have been taken by the Government for improving the basic amenities for slum dwellers;**
- (d) if so, the district-wise details thereof; and**
- (e) whether the number of slums has decreased or increased in NCR including Delhi and if so, the district-wise details thereof?**

ANSWER

MINISTER OF STATE IN THE MINISTRY OF STATISTICS AND PROGRAMME IMPLEMENTATION AND MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS [SHRI VIJAY GOEL]

(a): The National Sample Survey Office (NSSO), Ministry of Statistics and Programme Implementation periodically conducts all-India survey on 'Drinking water, Sanitation, Hygiene and Housing

Condition’ and ‘Particulars of Slums’. The latest survey on ‘Drinking water, Sanitation, Hygiene and Housing Condition’ and ‘Particulars of Slums’ was carried out during NSS 69th round (July 2012 - December 2012). Based on this survey, estimated number of houses (dwelling units) and slums in urban areas are 8,05,20,700 and 33,510 respectively.

(b): The number of slums where the basic amenities like road, electricity, potable water, etc. provided during the last five years is not maintained by NSSO. However, the percentage of slums having basic amenities within the notified slums as per the NSS 69th round (July 2012 - December 2012) data is given below:

| Basic amenities | Percentage of slums |
|---|----------------------------|
| drinking water | 94.8 |
| electricity connection | 99.1 |
| pucca road/lane/constructed path | 82.6 |
| drainage system | 89.4 |
| arrangement of garbage disposal | 88.6 |

(c)& (d): Government of India through its programmatic interventions viz. Atal Mission for Rejuvenation and Urban Transformation (AMRUT), Swachh Bharat Mission - Urban (SBM-U) and PradhanMantriAwasYojana (Urban) {PMAY(U)} Mission, has been making overarching efforts by assisting States/ UTs in providing housing and basic civic amenities to the urban poor including slum dwellers of towns/ cities of the country.

As per information received from Ministry of Housing and Urban Affairs, under AMRUT, 1012 projects worth Rs. 2,368 crore have been completed so far. Contracts have been awarded and work is in progress for 3,140 projects worth Rs. 52,530 crore and for 709 projects worth Rs. 14,464 crore tenders have been issued. Under SBM-U, 53,64,746 units of Individual Household Toilets (IHHT) have been constructed and another 7,56,268 IHHT units are under

construction. The number of Community/Public Toilets (CT/PT) constructed is 4,45,571 seats while another 38,905 CT/PT seats are under construction. No separate data is maintained specifically for slum areas.

Under 'In-Situ' Slum Rehabilitation (ISSR) component of PMAY(U) mission, there is a provision to provide all weather pucca houses to all eligible slum dwellers. PMAY(U) mission envisages that houses constructed by the States/UTs should have basic civic infrastructure like water, sanitation, sewerage, road, electricity etc. Under PMAY(U) mission, houses are considered to be complete only when civic facilities such as power supply, water supply and drainage/sanitation are provided and a confirmation to this effect has been received. The number of houses sanctioned, grounded and completed along with basic amenities for slum dwellers under urban housing schemes including Jawaharlal Nehru National Urban Renewal Mission (JnNURM) and PMAY(U) is respectively 16,93,041, 13,58,565 and 11,58,275.

(e): The information regarding increase or decrease in the number of slums in National Capital Region (NCR) including Delhi is not maintained by this Ministry.
