**STATEMENT REFERRED TO IN REPLY TO LOK SABHA  
STARRED QUESTION NO. 351 \* FOR 4<sup>TH</sup> JANUARY, 2019**

(a) to (c) Public Health, Hospitals and Dispensaries being a State subject, the primary responsibility to provide healthcare services, including AYUSH services, lies with the respective State/UT Governments. However under the National Health Mission (NHM), Government of India provides technical and financial support to States/UTs for strengthening their healthcare systems, including for provision of AYUSH services through co-located facilities including at Primary Health Centres (PHCs), Community Health Centres (CHCs) and District Hospitals (DHs), based on the requirements posed by the States/UTs in their Programme Implementation Plans (PIPs) within their overall resource envelope under NHM. Government of India, under NHM, has been providing support to States/UTs under mainstreaming AYUSH since its inception, including support for engagement of AYUSH doctors and paramedics on contractual basis at co-located public health facilities, in service training of AYUSH service providers. State/UT wise details of PHC/CHC/DH including Punjab and Jharkhand where AYUSH services through co-located facilities are available under NHM is furnished at **Annexure**.

Further, under Centrally Sponsored Scheme of National AYUSH Mission (NAM), Government of India provides Grant-in-aid to the States/UTs for infrastructure, equipments/furniture, medicines and contingency for co-located AYUSH facilities at Primary Health Centres (PHCs), Community Health Centres (CHCs) and District Hospitals (DHs).
