Drinking Water Facility in Villages of Delhi

749. SHRI PARVESH SAHIB SINGH:

Will the Minister of DRINKING WATER AND SANITATION be pleased to state:

- (a) whether each village in Delhi has infrastructure for door to door water supply, if so, the steps taken to provide door to door water supply in rural areas of Delhi in the last four years; and
- (b) whether every village in Delhi has infrastructure for providing the people access to clean drinking water and if so, the details thereof?

ANSWER

MINISTER OF STATE FOR DRINKING WATER AND SANITATION
(SHRI RAMESH CHANDAPPA JIGAJINAGI)

(a) & (b) As per information received from Delhi Jal Board (DJB), the piped water supply facility is available door to door in all rural villages except Badarpur Khadar under Karawal Nagar constituency where it is technically not feasible to provide water supply network. Water supply in this village is being maintained through water tankers.
