Title: Need to establish government medical and engineering college in Surendrangar district.

श्री देवजीभाई गोविंदभाई फतेपारा (सुरेन्द्रनगर): अध्यक्ष महोदया, आपने मुझे बोलने का मौका दिया, उसके लिए आपको बहुत-बहुत धन्यवाद देता हूं। गुजराती हमारी मातृभाषा है।

*Hon'ble Speaker Madam, first of all I thank you for giving me this opportunity to speak. Through you I would like to draw the attention of the Hon'ble Minister to my constituency Surendranagar (Gujarat). My constituency Surendranagar is educationally and economically backward district. Backward classes like nomadic tribes, scheduled tribes, scheduled castes and OBCs are residing in this region in large number. There is very less development in education since independence in this district. There is facility of education in general stream and science stream but there is no government medical college or engineering college in Surendranagar district. The children of salt farmers (agariya) also want to pursue higher education. They go to Rajkot or Ahmedabad for higher education. Therefore, through you I request the concerned ministry to establish government medical and engineering college in Surendrangar district.

माननीय अध्यक्ष:
