Title: Regarding augmentation of capacity of local trains on Central Railway, Mumbai - Laid

DR. KIRIT SOMAIYA (MUMBAI NORTH EAST): A commitment was given to the passengers of local trains of Central Railway, Mumbai for expanding the capacity of local trains by converting 12 coach trains into 15 coach. Ministry of Railway have promised to start AC/semi-AC locals on Central Railway, Mumbai. It was requested that at least one AC local be started in 2018-19. The demand for Ghatkopar local, i.e. from Ghatkopar to CST is pending for the last several years. I urge upon the Hon'ble Railway Minister to fulfil all the above demands in 2018-19.
